Make your auditions and performances come alive with the skills and techniques to make your characters rich and real. You will work on important components of your craft:

Rehearsal: "In the Wings." Getting Ready for Your "Spotlight!"

- . Audition Techniques for Stage, TV, and Film
- . Selecting Audition Monologues and Scenes Right For You
- . Cold Readings; Interpreting and Analyzing; Character Development
- . Breaking Down the Beats

Performance: "Curtain Going Up"

- . The Power of Listening
- . Digging Deep for Authenticity
- . Working with Scene Partner: Getting What You Want
- . Inside-Outside: Incorporating "Flavor" and "Style"

Director's Notes: "Applause." "That's A Wrap"

- . Taking direction to empower your performance
